

# KILVILCORRIS CHAROLAIS

30 PEDIGREE HEIFERS

7 PM, FRIDAY  
29TH SEPTEMBER

TULLAMORE MART

CONTACT: PJ RYAN (087) 2473046

# Foreword

The Kilvilcorris Charolais Herd was established in 1988. Over the intervening years we have grown the herd to it's present standing of circa 120 Charolais. We have used the best genetics available to us including bloodlines by Grimaldi, Goldstar Echo, Bon Jovi, Major CF52, Pirate, Invincible, Meillard, Lisnagre Elite and Carrickbrack Hutch.

Bunratty Mike Tyson, our stock bull, whose pedigree includes both Domino and Hermes is breeding consistently well. He is bringing tremendous power, structure and function to his progeny. His female offspring are making great breeding cows. displaying great breed characteristics combined with ease of calving and a good supply of milk.

I would like to wish the very best of luck to all potential customers.

Regards,  
P.J. Ryan
