435 days - 604kgs	520 days - 688kgs	605 days - 764kgs
440 days - 609kgs	525 days - 693kgs	610 days - 768kgs
445 days - 615kgs	530 days - 697kgs	

Please Note: All Cattle that do not pass inspection on the morning of a sale must leave the mart.

TESTICLE MEASUREMENTS

Testicle measurements should be taken by your Vet, Brendan Regan, John Mc Cabe or Tim Kelleher when carrying out the fertility test and recorded on the fertility certificate. Any bull not meeting the minimum size requirement as stated below, is excluded from the show/sale. The testicles should also be firm and evenly sized.

12 - 15 months on the day of sale - 30cm

15 - 18 months on the day of sale - 31cm

18 - 21 months on the day of sale - 31 cm

21 - 24 months on the day of sale - 33cm
