HERD INSPECTIONS

AGE VERIFICATION OF CALVES

If you have a bull calf weighing 60kg or over, or a heifer calf weighing 55kg or over, please notify the Society in writing within 5 days of the calf being born.

If you do not have scales, please notify the Society in writing of a suspected heavy birth weight within the same five-day period.

Unless the heavier birth weights, or suspected heavy birth weights, are notified to the office, they will not be taken into account for the purpose of Rule 9 should your herd be selected for spot inspection.

IMPORTANT: Heavy or suspected heavy birth weights must be notified in writing within 5 days of birth.
